

AUTUMN TERM IN YEAR 5

These are the topics we are studying in each subject this term. Ask us all about what we have learnt so far!

Maths: Place value, addition, subtraction, multiplication, division and fractions.

Literacy: Handwriting, GPS, Video - The Graveyard, Text - Cirque du Freak

Science: Earth and Space, Forces

History: Romans - Anglo-Saxons

Geography: Why are trees and forests important?

Computing: Online Safety and Vector Drawing

PE: Fitness, Gymnastics and Basketball

RE: Community, Birth of Jesus and Buddha, Diwali

Art: Line and Tone, Pattern and Shape

Music: Harvest songs, Steel Band/Ukulele, Carols

DT: Food technology - Christmas cakes

French: Je me presente (presenting myself)

Children can choose books from our class libraries to take home—please enjoy reading together and let us know what you've been enjoying, as we love to hear about it! Regular reading not only supports learning but also offers valuable time away from screens, helping your child's wellbeing. Don't forget, New Addington Library is also a wonderful place to explore even more books!

Key dates: PE on Tuesdays and Thursdays (weather permitting)
